## Kevin L. Jackson - RedComet, USA

"CommLab, India surpassed our *expectations for quality on-time delivery of complex services* to our national company. They have become a reliable team member of our fast-growing company. In a time when performance counts and cost cutting is crucial, **CommLab, India is a smart move.** We would recommend them as an outsource solution for your company."

Kevin L. Jackson  
President  
Red Comet, USA

## About RedComet, USA

For over four years, Red Comet.Org has been providing outstanding internet-based high school credit accrual at no cost to school districts. Its mission is to help schools help students stay on course for graduation. Red Comet.Org is the easiest, cheapest, and most effective way for a school to have an easy method by which their students can earn credits needed to graduate from their own high school.
