

# What Do Cheese and PowerPoint Have in Common?

## Explore in the Workshop – Leveraging PowerPoint to Maximize Impact

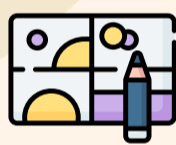

The humble cheese has some exotic variants and adds its unique taste to homely breakfasts and five-star dishes. Desserts or **savoury, breakfast** or **dinner** – we use it in all its glory!

Just as the variants of cheese are used in different ways, the PPT too can be used in different ways.

## Agenda

Join **Howard B. Lewis, Ph.D., CPT** in LearnFlux as he talks of:

- ◆ Using layouts to build a library of standardized templates
- ◆ Ensuring consistency through layouts
- ◆ Building 'click to reveal' interactivities
- ◆ Configuring blind click interactivities that mimic hotspots
- ◆ Designing performance support tools such as interactive PDFs
- ◆ Configuring screencasts to demo visual processes

## Leveraging PowerPoint to Maximize Impact – A Workshop

March 25,  
9:00 AM - 11:45 AM EDT
